

I ordered chicken dominator cheesy burst pizza and it was totally delicious with soft chicken pieces and cheese inside it making the perfect pizza.

I ordered a cheese burst veg extravaganza pizza! it was good! perfect toppings and perfect sauces were used. nice experience

I ordered a farmhouse pizza and a peppy paneer pizza from everyday value combo. Farmhouse was a cheese burst pizza. I was very delicious. I loved him. All the flavours were too good!

Taste of both pizza are delicious. Pizza dough and ingredients are fresh.

Pizza is so good, i love it & garlic bread is my favorite.
